A photograph of the interior of the Grand Serai Congress & Spa Kourabas Bar. The room features dark wood paneling on the walls and ceiling, which has a diamond-patterned coffered design. Three large, ornate crystal chandeliers hang from the ceiling. On the left, a bar with a dark wood counter is visible, equipped with various bottles and glasses. Behind the bar, a large framed painting of a classical scene is mounted on the wall. The seating area consists of several round tables with dark wood tops and glass inserts, surrounded by dark blue upholstered chairs with studded details. Each table is set with a small vase of yellow flowers. In the background, a white fireplace mantel is visible. To the right, large windows with orange-brown curtains offer a view of the outdoors, where a white patio umbrella and some furniture can be seen. The overall atmosphere is elegant and sophisticated.
